

SYNOPSIS N00174-06-R-0051

“This synopsis is being posted to both the Federal Business Opportunities(FBO) page located at <http://www.eps.gov> and the Navy Electronic Commerce on Line(NECO) site located at <http://www.neco.navy.mil>. While it is understood that FBO is the single point of entry for posting of synopsis and solicitations to the internet, NECO is the alternative in case FBO is unavailable. Please feel free to use either site to access information posted by the Navy Sea Systems Command.”

The Naval Surface Warfare Center, Indian Head Division (NSWCIHD) has a requirement for redesigned MK 17 Mod 0 (M934), P/N 2302224. The work will include redesign, manufacturing, testing, and qualification. NSWCIHD will be soliciting full and open competition and making a single award to the offeror providing the best value at a fair and reasonable price. The NAICS Code is 332993, Size Standard is 1,500 employees, and the FSC Code is 1377. Please include the solicitation number in the subject line of all emails regarding this requirement. The government is not responsible for any undelivered email transmissions.

Note: All offerors will be ineligible for award unless they have registered in the DOD Central Contractor Registration (CCR) database and completed the necessary representations and certifications for the NAICS code provided above within the Online Representations and Certifications Application (ORCA). Information on CCR and ORCA is available through the Business Partners Network (BPN) at www.bpn.gov.
